## Christmas Miracle

For years the world has been filled with miracles of all kinds. In April 1995 *Time* magazine devoted an eight-page spread to its cover story on miracles, and concluded: "People are hungry for signs."

**Look now for the biggest miracle of all. In the *very near* future a large, bright star will appear in the sky visible to all throughout the world — night and day.**

Unbelievable? Fantasy? No, a simple fact. Around a week later Maitreya, the World Teacher for all humanity, will begin His open emergence and — though not yet using the name Maitreya — will be interviewed on major US television.

In 1988 CNN and many other media reported on Maitreya's miraculous appearance to 6,000 people in Nairobi, Kenya, on Saturday 11 June. A week before the event a remarkable sign occurred: "On Saturday 4 June a big, bright star was sighted, unusually brighter than ordinary stars," reported *Kenya Times* editor Job Mutungi.

For over 30 years artist, author and lecturer Benjamin Creme has been preparing the way for the biggest event in history — the emergence of Maitreya and His group, the Masters of Wisdom. In May 1982 Creme revealed at a packed press conference in Los Angeles that Maitreya had been living in the Asian community of London since 19 July 1977.

Awaited by all faiths under different names, Maitreya is the Christ to Christians, the Imam Mahdi to Muslims, Krishna to Hindus, the Messiah to Jews, and Maitreya Buddha to Buddhists. He is the World Teacher for all, religious or not, an educator in the broadest sense.

As a modern man concerned with today's problems, Maitreya works behind the scenes of our changing world. The outpouring of His extraordinary energy has been the stimulus for dramatic developments on many fronts: the ending of the cold war; the break-up of the Soviet Union; the reunification of Germany; the ending of apartheid in South Africa; the growing power of the people's voice, leading to demands for freedom and justice; and the worldwide focus on preserving the environment.

Maitreya's message can be summarized as "share and save the world". He will seek to inspire humanity to see itself as one family, and to create world peace through sharing, economic justice and global co-operation.

With Maitreya and His group working openly in the world, humanity is assured not only of survival but of the creation of a brilliant new civilization.
