## Spiral light over Norway – the ‘star’ that heralds Maitreya’s emergence

*The enormous, spiral light with its glowing centre, seen over Norway on 9 December 2009, has excited and baffled thousands of Norwegians including astronomical experts. What does it mean?*

*On 12 December 2008 Share International Foundation announced **that a large, bright ‘star’-like object would soon be seen in the sky. It is a sign heralding the imminent appearance of Maitreya, the World Teacher, on His first television interview, which will take place in the USA.***

*The ‘star’ is really one of four enormous spacecraft placed around the world. **Since December 2008 numerous sightings of the ‘star’ have been reported on YouTube and television news programmes. Share International magazine has received hundreds of photographs showing the ‘star’ in a variety of stunning colours and shapes.***

*The huge spiral manifestation over Norway is an extension of the work of these spacecraft **and is irrefutable evidence of their reality. Our information is that further such manifestations are planned for the near future.***

## ***Background information***

**For over 30 years** artist, author, and lecturer Benjamin Creme has been preparing the way for the biggest event in history — the emergence of Maitreya the World Teacher and His group, The Masters of Wisdom. Millions of people around the world have heard his information and wait expectantly for this momentous event.

**Since 19 July 1977** Maitreya has been living in the Asian community of London, England, gradually emerging before the public. Long awaited by all faiths under different names, Maitreya is the World Teacher for all people, religious or not.

**Maitreya's 'roving ambassador'** Benjamin Creme travels the world spreading his message of hope and creating a climate of expectancy for Maitreya's emergence. Trained and supervised over many years by his own Master, with whom he is in constant telepathic contact, Benjamin Creme has access to up-to-date information on Maitreya's emergence, giving him the total conviction needed to present this story to a sceptical world.

**As a modern man** concerned with today's problems, Maitreya works behind the scenes of our changing world. The outpouring of His extraordinary energy has been the stimulus for dramatic developments on many fronts: the ending of the cold war; the break-up of the Soviet Union; the unification of Germany; the ending of apartheid in South Africa; the growing power of the people's voice, leading to demands for freedom and justice; and the worldwide focus on preserving the environment.

**Outwardly Maitreya** has met with influential leaders from all fields, informing them of His solutions to our pressing problems. His message can be summarized as: "Share and save the world." He has not come to found a new religion but as an educator in the broadest sense. He will seek to inspire humanity to see itself as one family, and to create a civilization based on sharing, economic and social justice, and global co-operation.

**For those who seek signs** of His coming, Maitreya has manifested miracles worldwide, touching the hearts of millions and preparing them for His imminent appearance.

**With Maitreya and His group** working openly in the world, offering Their guidance and teachings, humanity is assured not only of survival but of the creation of a brilliant new civilization.

**According to Benjamin Creme**, we do not have long to wait to see Him. Soon, Maitreya will be interviewed on major US television and His open emergence will begin.

**Benjamin Creme regularly lectures worldwide**, and appears on television and radio — in the USA alone he has been interviewed on more than 700 radio and television shows. He is author of 12 books — translated into 11 languages — and is editor of *Share International* magazine which circulates in 70 countries. He receives no payment for any of this work. Benjamin Creme offers a positive view of the future — *a message of hope for the world*.
