Maitreya steps forward

The way prepared by His Herald the 'star', Maitreya, the World Teacher, has given His first interview on American television. Millions have heard Him speak both on TV and the internet. His open mission has begun.

He was introduced not as Maitreya, the World Teacher and Head of our Spiritual Hierarchy, but simply as a man, one of us. In this way He "ensures that men follow and support Him for the truth and sanity of His ideas rather than for His status".

He spoke earnestly of the need for peace, achievable only through the creation of justice and the sharing of the world's resources.

This is the first of many such interviews which will be given in the USA, Japan, Europe and elsewhere, bringing His message of hope to the world.

Background information

For over 30 years artist, author, and lecturer Benjamin Creme has been preparing the way for the biggest event in history — the emergence of Maitreya the World Teacher and His group, The Masters of Wisdom. Millions of people around the world have heard his information and wait expectantly for this momentous event.

Since 19 July 1977 Maitreya has been living in the Asian community of London, England, gradually emerging before the public. Long awaited by all faiths under different names, Maitreya is the World Teacher for all people, religious or not.

Maitreya's 'roving ambassador' Benjamin Creme travels the world spreading his message of hope and creating a climate of expectancy for Maitreya's emergence. Trained and supervised over many years by his own Master, with whom he is in constant telepathic contact, Benjamin Creme has access to up-to-date information on Maitreya's emergence, giving him the total conviction needed to present this story to a sceptical world.

As a modern man concerned with today's problems, Maitreya works behind the scenes of our changing world. The outpouring of His extraordinary energy has been the stimulus for dramatic developments on many fronts: the ending of the cold war; the break-up of the Soviet Union; the unification of Germany; the ending of apartheid in South Africa; the growing power of the people's voice, leading to demands for freedom and justice; and the worldwide focus on preserving the environment.

Outwardly Maitreya has met with influential leaders from all fields, informing them of His solutions to our pressing problems. His message can be summarized as: "Share and save the world." He has not come to found a new religion but as an educator in the broadest sense. He will seek to inspire humanity to see itself as one family, and to create a civilization based on sharing, economic and social justice, and global co-operation.

For those who seek signs of His coming, Maitreya has manifested miracles worldwide, touching the hearts of millions and preparing them for His imminent appearance.

With Maitreya and His group working openly in the world, offering Their guidance and teachings, humanity is assured not only of survival but of the creation of a brilliant new civilization.

According to Benjamin Creme, we do not have long to wait to see Him. Soon, Maitreya will be interviewed on major US television and His open emergence will begin.

Benjamin Creme regularly lectures worldwide, and appears on television and radio — in the USA alone he has been interviewed on more than 700 radio and television shows. He is author of 12 books — translated into 11 languages — and is editor of *Share International* magazine which circulates in 70 countries. He receives no payment for any of this work. Benjamin Creme offers a positive view of the future — *a message of hope for the world*.
